

# Chemical Hygiene Policy Statement

---

## Chemical Hygiene Officer Appointment

In compliance with the Federal Laboratory Standard 29 CFR 1910.1450, University Saint Francis, Fort Wayne, Indiana realizes our responsibility for the protection of our employees. We hereby institute the enclosed Chemical Hygiene Plan to assist us in our safety program. We acknowledge the Chemical Hygiene Officer has the knowledge and authority to implement and enforce our Chemical Hygiene Plan.

University of Saint Francis hereby appoints Sr. Carol Meyers D.A., to be our Chemical Hygiene Officer. We acknowledge the Chemical Hygiene Officer has the knowledge and authority to implement and enforce our Chemical Hygiene Plan.

Although we, University of Saint Francis are designating Sr. Carol Meyers D.A. as our Chemical Hygiene Officer and Richard Robbins as our Director of Safety and Security, we realize the success or lack of success of our Chemical Hygiene Plan rests with all of our employees. The ultimate responsibility of the Chemical Hygiene Plan rests with the President and the Risk & Safety Management Committee.
